

# SEE FIRST

PRESS RELEASE • MARCH 2022

SEE FIRST is a 2-year Erasmus+ project that aims to provide methods and tools to foster the employability of young individuals through enhancing their soft skills (i.e., communication, creative thinking, work ethic, teamwork, and more).

In order to support the project, the partners have created the “**Transversal Skills Genie**” a personalized training tool which enables learners to improve their soft skills through the attainment of learning goals tied to each soft skill.

How does the **Transversal Skills Genie** work?

- In the beginning, there are 9 questions related to *communication, teamwork and problem solving*.
- Once the questions have been answered, the **Transversal Skills Genie** is developed based on the needs of each user. The wheel contains activities that can be completed.
- At the end, the user can Complete the short quizzes at the end to collect all the badges.

The soft skills in the **Transversal Skills Genie** are the following:

- *Verbal Communication*
- *Collaboration*
- *Reliability*
- *Respectfulness*
- *Attention to detail*
- *Decision Making*
- *Logical Thinking*
- *Active Listening*
- *Negotiation*

In addition, the partners pilot tests have just been carried out in Spain, the United Kingdom, Italy, Greece and Cyprus. During the pilot activities the tool that has been developed for the project was tested by young people and significant feedback and comments were given. On our Facebook page you can also find audiovisual material from the pilot tests of the tool!

For keeping up to date with our next steps please visit our [webpage](#) and follow us on [Facebook](#) and [LinkedIn](#).
